

NuVision 10.1 Atom Back Cover Replacement

This guide will go over how to replace the back cover of the NuVision 10.1 Atom if it becomes damaged.

Written By: Carly Daniele

INTRODUCTION

How to replace the back cover. Make sure to be careful and patient when removing it.

TOOLS:

- [iFixit Opening Tools](#) (1)
-

Step 1 — Back Cover

- Turn the device screen side down.
- Carefully remove the back piece with the iFixit opening tool.

Step 2

- Remove the yellow tape covering the motherboard gently with your fingers.

To reassemble your device, follow these instructions in reverse order.
