

Asus Q505UA-BI5T7 Back Cover Replacement

This guide will show you how to replace or remove the back cover on the Asus Q505UA-BI5T7 for service.

Written By: Emma McKinley

INTRODUCTION

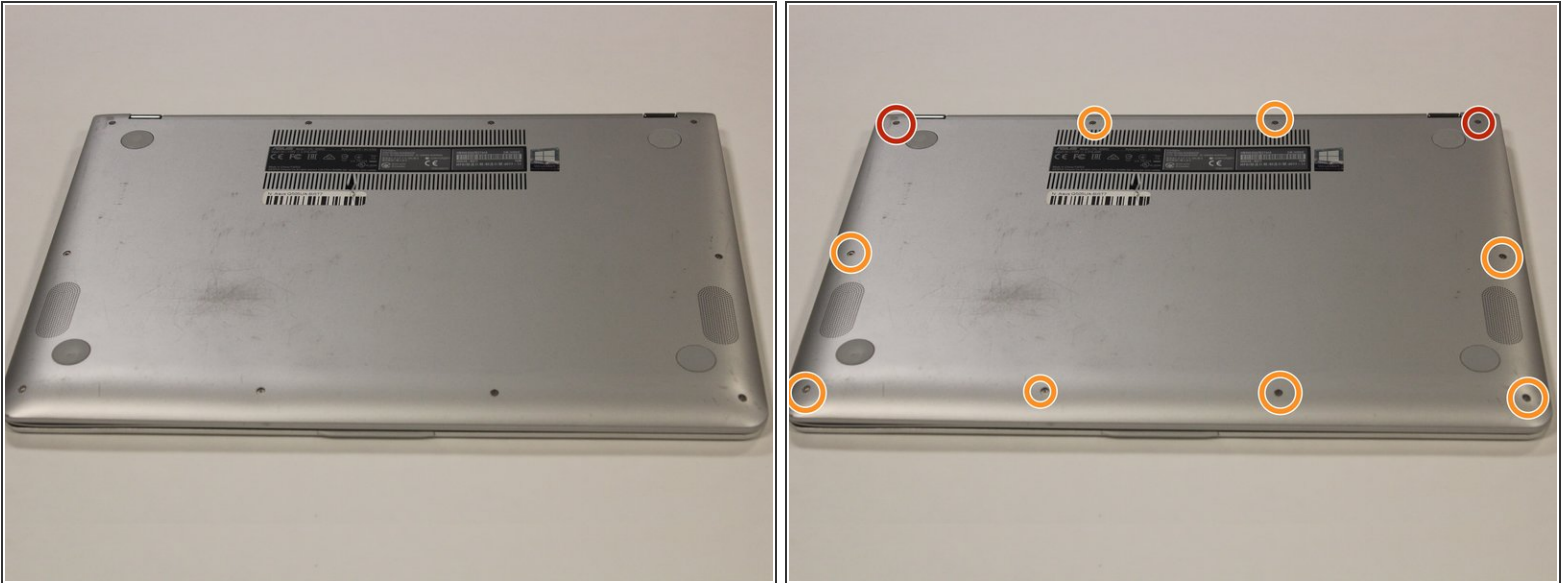

Use this guide to show you how to replace the back cover of the Asus Q505UA-BI5T7 laptop, or just remove it to service another component.

TOOLS:

- [iFixit Opening Tools](#) (1)
 - [Phillips #1 Screwdriver](#) (1)
-

Step 1 — Back Cover

- Flip the device over so that the back cover is facing you.

Ensure that the device is turned off.

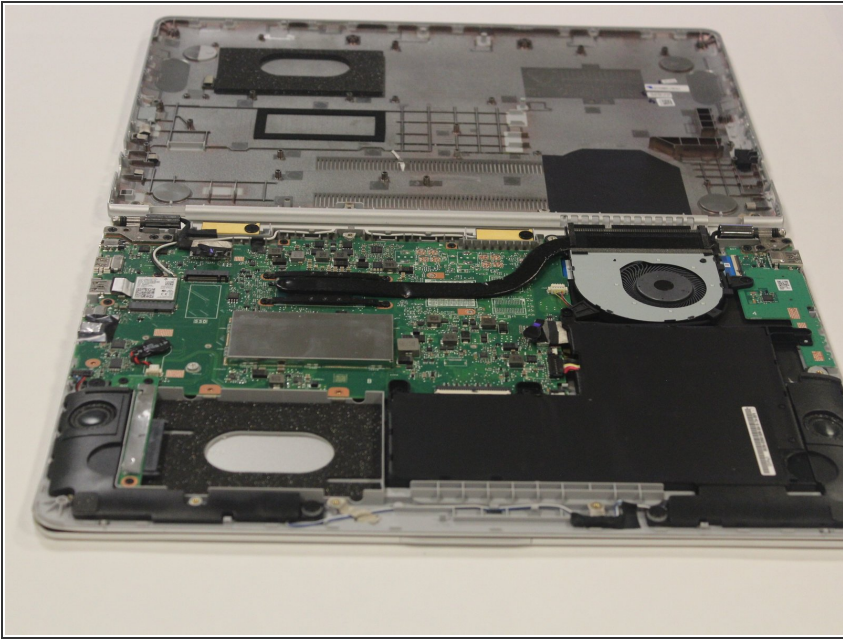

- Remove the two 10 mm Philips #1 screws from the top two corners of the back cover of the laptop.
- Remove the remaining eight 8 mm Philips #1 screws remaining in the back cover of the laptop.

Step 2

- Use the plastic opening tool to gently pry the back cover of the laptop up. Slide the tool slowly along the edges of the back cover to pop it out of the clips holding the cover in place.

Step 3

- Gently remove the cover and lift it off of the back of the device.

To reassemble your device, follow these instructions in reverse order.
