

How to Factory Reset Samsung Galaxy A10

Written By: Nick Myers

Samsung A10 Hard reset pattern unlock

A photograph of a Samsung Galaxy A10 smartphone in its Android Recovery mode. The screen displays yellow text on a black background. The text includes the device model 'samsung/a10dd/a10', the version '9/PPR1.180610.011/A105FDDU1ASC2', and instructions to 'user/release-keys' and 'Use volume up/down and power.'. A blue horizontal bar highlights the 'Reboot system now' option. Other options listed include 'Reboot to bootloader', 'Apply update from ADB', 'Apply update from SD card', 'Wipe data/factory reset', 'Wipe cache partition', 'Mount /system', 'View recovery logs', 'Run graphics test', 'Run locale test', 'Power off', and 'Lacking storage booting'.

```
