

Guide ID: 19937 - Draft: 2018-01-24

## **LG Neon GT 365 Battery Replacement**

This guide will instruct how to replace the battery with minimal dis-assembly.

Written By: kristie

## Step 1 — Battery

 With one hand, push the rectangular button located on the back top-side of the phone.

## Step 2

 With your other hand, remove the rear cover.

## Step 3

- Pull out the battery by lifting if from the cut out on the bottom end of the battery.
- Once the Battery is removed, purchase a replacement battery and insert the battery back into the phone.

To reassemble your device, follow these instructions in reverse order.
