

LG Encore GT550 Screen Replacement

This guide will show users how to replace the screen

Written By: Lindsey Harding

INTRODUCTION

Here is a screen replacement tutorial with easy-to-follow steps. Instead of paying an additional \$50 over the screen price, save money and do it yourself. The steps are explained precisely down here, plus pictures to show how it is done in an appropriate way to avoid any physical damage on the phone or getting injured.

TOOLS:

- [Phillips #0 Screwdriver](#) (1)
 - [iFixit Opening Tool](#) (1)
-

Step 1 — Screen

- Remove the back cover

Step 2

- Remove the battery

Step 3

- Remove all the screws with a Philips #0 screwdriver

Step 4

- Separate the phone's top and bottom plates.

Step 5

- Separate the screen from the motherboard
- Replace the screen
- Reassemble by following the steps in reverse

To reassemble your device, follow these instructions in reverse order.
