INTRODUCTION

This guide shows you how to install a new lens connector.

🔧 TOOLS:

- [Phillips #00 Screwdriver](#) (1)
- [Spudger](#) (1)

Step 1 — Front Panel

- Using a #00 Phillips screw driver, remove three 4.4 mm Phillips screws as indicated by the red circles.
Step 2

- Using your finger, peel back the textured grip so the components are separated.
